# Hello

I'm Jamie.

I've been shooting photos and video for 20 years. I love telling your stories. I shoot documentary. I won't bring the biggest set up, brightest lights, or rigs. I'm a minimalist and that's how I shoot. You'll appreciate this, I promise. This is about you, I'm just here to document it.

Family is everything. I have three boys. I will prioritize my family time.

Space is limited.
